

FESTIVAL INFO

THE VENUES

Östrabo is our main venue during the festival. That is where the semi-finals and the final will take place, that is also where all the workshops will be held, the lunch concerts will happen and where we will eat lunch and dinner. Apart from Östrabo there will also be concerts at Margretegårde, Blomsterkroken and Café Vänner Utan Gränser.

CHECKIN & ACCOMMODATION

You will stay at the Best Western Hotell Carlia på Drottninggatan 26. The accommodation check in you do at the hotel.

The check in to the festival you do at Östrabo Foajé, Kämpegatan 36.

MORNING GATHERINGS

Every morning, we all meet at Östraboteatern. The meetings are compulsory - this is where you will get all the current information about what will happen during the day. Here you will meet people who are important for you to know about, and you will get practical information that may apply to soundcheck, workshops, gigs in town, gigs on Östraboteatern etc.

SOUNDCHECK AT ÖSTRABOTEATERN

Each band/artist will do a 20 minutes soundcheck at Östraboteatern the same day they play there. Important that you arrive at the soundcheck 15 minutes ahead the set time and that you are well prepared. Keep in mind that this is not a rehearsal but an occasion to point in a good sound and light that both you and the technicians are happy with. If you have technical concerns, such as info about the backline, or other questions which can not be found on the webpage, please contact the staff.

Check out the soundcheck schedule for Östrabo below in this PDF.

GIGS IN TOWN

You will do one gig at Östraboteatern and one in either Margretegårde, Blomsterkroken, Östrabo lunch concert or Café Vänner Utan Gränser. In the venues out of Östrabo we will just do a short line check, appear 30 minutes ahead of the gig time (which you will find at page 2) and it will be taken care of. Exception - First gig each day are suppose to be at the stage 1 hour before your concert. See specifics in the schedule.

HANG OUT/NIGHT MEAL/JAM SESSION:

Every evening there will be an arranged hang out with the possibility of more musical encounters. On Wednesday, Thursday and Friday this will take place at Hotell Carlia. On Saturday it will be at Bohusläns Museeum. During the hang out you will also be served a night meal.

FOOD

You will eat your breakfast and your nightmeal at the hotel. Lunch and dinner will be served at Östrabo. All the food served during the festival is vegan. If you have special food requirements or allergies, notify us immediately if you have not already done so.
